Filename: Time – Standard or Daylight Saving.pdf
Revised: 2024-03-10

Question: *How do I change the console display between standard time and daylight saving time?*

Answer: *Follow these steps. You do not have to be in advanced mode or logged in as Admin.*

1. Press Menu
2. Select Settings
3. Select Control Point
4. Press the right arrow to give focus to the "Time and Date" tab
5. Scroll down to Daylight Saving
6. Press right arrow to select the desired value, "Standard time" or "Summer time" (Daylight Saving Time)
7. Press Save
8. Press Close
9. Press Close
